Volunteer solidarity:  
families out of poverty

Be an European  
VolunStar! ★

Needy children and parents will live in 50 sqm homes, like above, through your effort!

“In August 1999 it was the Eclipse Build; now we will live another saga, the 2007 EuroHabitat Build. It looks unbelievable: you and 649 mostly unskilled Europeans to build 27 homes in 5 working days. VOLUNTEERS! It will be mesmerizing: you will never be the same on 8<sup>th</sup> of September. Be part of a 21<sup>st</sup> century saga: The End of Poverty Housing. Make true the impossible dream of homeownership for his Highness, the Poor, his children - our partners, your neighbor, EU's future. TOGETHER.” - Adrian Ciorna, National Director of HFH Romania
